“ I am a regular customer of the Bistro Restaurant and I can't praise everything about it enough. It was my 50th birthday party at the weekend and I had booked The Bistro to cater my buffet for the party, it was amazing!!! The quality, quantity were everything I could have asked for and more. Even more amazing was the extra choice of 2 pasta dishes. Lots of the guests were complimenting the pasta dishes, they were delicious.

I would highly recommend the buffet service the Bistro offers if you have any events coming up, great value for money and like the restaurant the food is so tasty and fresh and exceptional value for money ”
